ATHLETICS PROGRAMME

WELCOME

Welcome to the Athletics of the Second Island Games. Those who were present at the first Games on the Isle of Mann will notice straightaway that there are far more events this time round, and far more competitors. This has meant that many more heats are necessary and the programme is somewhat crowded. I hope that all goes smoothly and you enjoy the athletics.

The Athletics events are being organised by the Guernsey Island Amateur Athletics Club, which is affiliated to the Amateur Athletics Association. The Club is relatively small but competes on the Mainland whenever it can. Recently the Club has sent teams to the Hampshire County Cross-Country Championships, the South of the Thames Cross-Country Championships, and the Hampshire County Track and Field Championships. The Club also competes in the Southern English Athletics League, and this year, the first in which it has competed in this league, won its division and gained promotion.

My thanks go to all members of the G.I.A.A.C. for giving up their time to help organise these Games, to the Groundstaff of the States Recreation Committee and to all those who will be officiating at the athletics events, particularly our friends from Jersey and the Mainland who agreed to help.
