CYCLING PROGRAMME

WELCOME

The Guernsey Velo Club is delighted to be organising the cycling events in the Island Games and extends a true cyclists' welcome to all the competitors. We have been holding "Open" events for many years but this is our first truly International field and the prospect of seeing so many top riders out on the road is really exciting. I am sure that you will find our race courses interesting and demanding with good surfaces to race over, while the strong winds that we experience along the coastal sections of our courses always add an extra dimension to the competition, but anyone who lives on an island is used to that! The Town Centre Criterium is a first for us and will surely be a breathtaking end to the cycling events with prime prizes ensuring that the action is fast and furious.

All Guernsey cyclists are looking forward to making many friends and enjoying a close competition that will be the climax to our racing season.

Welcome to you all,
David Richards & Hagan
Ferbrache, Cycling Co-Ordinators.
