VOLLEYBALL PROGRAMME

WELCOME

The Guernsey Volleyball Association are pleased to welcome all visiting volleyball players, officials and supporters to our 'friendly' isle for this the second Inter-Island Games, especially those participating in the volleyball section of the games for the first time.

We hope that you will enjoy playing your volleyball here with us and that you will also have the opportunity to visit many of the sights around our beautiful island.

The competition will be played at Beau Sejour, the premiere leisure area and main volleyball centre on the island, where volleyball has been played on a league basis since 1979. Since then there has been a rapid development in the sport, and both men's and women's island teams have travelled to various venues for competitions including the first Island Games on the Isle of Man.

In conclusion we hope that all the teams enter into the spirit of the Games and that camaraderie and friendship will be the order of the day.

Good luck to all teams!
