NOTES

From 2017 the Finals format changed in 10m Air Rifle and 50m Prone Rifle. The number of shots increased from 20 to 24. Consequently, new records appear in 2017 for these events. At the same time the terminology "Games Record" ("GR") was applied to the scores achieved solely in Finals (replacing "Finals Games Record" ("FGR"). In events without Finals (eg: 50m Prone Women), GR still applies to what would otherwise be the Qualification Round.
